Subject: Offer Letter

Dear Pratham,

We are pleased to offer you the position of **Intern** at Software Mathematics. We congratulate you on being selected from a pool of talented candidates, and we are excited to have you join our team. This internship opportunity will commence on **06th November 2025** and conclude after 2 Months Internship Details:

Position: Intern

Department: IT

Duration: 2 months

Responsibilities: As an intern at Software Mathematics, you will have the chance to gain valuable hands-on experience in your chosen field. Your responsibilities will include, but are not limited to:

- Assisting the team in day-to-day tasks and projects
- Conducting research and analysis to support various initiatives
- Contributing creative ideas and innovative solutions
- Collaborating with team members to achieve common goals
- Participating in team meetings and training sessions

Expectations: We expect you to be punctual, professional, and proactive during your internship with us. Your dedication and willingness to learn will play a crucial role in making the most of this opportunity. At Software Mathematics, we foster a positive and inclusive work environment, and we encourage you to actively engage with the team and take part in various activities.

TM
SOFTWARE MATHEMATICS PRIVATE LIMITED(OPC)

- Be Integrated

Benefits: As an intern with us, you will enjoy the following benefits:

- Hands-on experience in Technology
- Mentorship and guidance from experienced professionals
- Exposure to real-world projects and challenges
- Networking opportunities within the industry
- Certificate of completion at the end of the internship

We believe that your time with us will be both educational and rewarding, allowing you to apply your academic knowledge in a practical setting and develop skills that will benefit your future career.

Please review this offer letter thoroughly, and if you accept the internship position, sign and return a copy of this letter to us by. If you have any questions or need further clarification, please do not hesitate to reach out to us. We eagerly anticipate your positive response and look forward to welcoming you as an intern at Software Mathematics.

Wishing you all the best,

Your faithfully
